STRALCIO DI AEROFOTOGRAMMETICO
scala 1:2000

LEGENDA
----- Ambito di intervento

This is an aerial photograph of a residential area, likely in a hilly region given the topographic contours. A red dashed rectangle highlights a specific block of buildings, which appears to be a residential complex with several rectangular structures. The surrounding area includes other residential buildings, roads, and a large open area that looks like a sports field or a park in the bottom right corner. A north arrow is located in the top right corner, and a legend indicates that the red dashed line represents the 'Ambito di intervento' (Area of intervention).
